Kings of the Rivers

* to the tune of *Wem Kan Segla*

Brother we go round and round
Over, under, up and down

*CHORUS

We are kings of the rivers
Rotating in other waters

Milky Way in a ring
food from heaven, down it rains

CHORUS

Sparkle, splash, another bite
then dive down with all my might

CHORUS

Waves of grass, waves of grain
rearrange my DNA

CHORUS

Our universe is in this net
nobody left behind

CHORUS

humming verse
